Mr. Leslie T. Rogers
Regional Administrator
Federal Transit Administration
201 Mission Street, Suite 2210
San Francisco, CA 94105

Attention: Mr. Ray Sukys

Dear Mr. Sukys:

With this letter, I am forwarding the San Joaquin Council of Governments' (SJCOG) Administrative Amendments No. 21, 26, 28, 29, and 30 which make technical adjustments to their 2002/03-2004/05 Federal Transportation Improvement Program (FTIP). These amendments do not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's), or financial constraints and does not result in major scope change. Your letter states that amendment No. 27 does not exist. Our records indicate that amendment No. 27 was submitted by SJCOG and was approved by the Department.

These projects are included and submitted by SJCOG through the California Transportation Improvement Program System (CTIPS). The Department of Transportation's concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

Since Administrative Amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, these FTIP amendments have been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

Office of Federal Transportation Management Programming
